Lab
Coats
that
stand up
to the

TEST

GCA Lab coats stand up to the test of time and wear, not to mention hundreds of industrial launderings. They're made of durable, 80/20 poly-cotton five-oz. poplin that's permanent press. Available in men's style with a five-button front, and women's style with a six-button front.

Both styles feature regular-length barrel sleeves, two large lower patch-pockets, one left-side breast pocket with pencil slot and side pass-through vents. All pockets have reinforced mitered corners. Call for immediate delivery. **800-944-4500.**
